

PG Returning Student Registration: 2 Jan - 9 Feb 2025

PG TIMETABLE 2025

The due dates indicated are for the Exams and Assignments. To comply with the Senate Standing Orders on Assessment of Student Learning (SSOASL) additional Assessments and their due dates are necessary. The details of these assessments will be communicated by the course coordinator through the course outline.

Lecturer	Course Offering (Face to Face / Online)	Course Code	Course Name	2025 Course Date	Exam	Assignment	Exam venue: All Exams are face to face at the School of Mining Engineering
JANUARY-FEBRUARY							
B Watson/B Genc/ C Birch /J Githiria/T Marshall/J Knight/ Z Mdluli/ D Modiba	Online	MINN7094A	Research Methodology for Mining Engineering (Feb)	20 - 24 Jan	No Exam	21-Feb	School of Mining Engineering
C Birch/ T Tholana	Face to Face	MINN7092A	Mine Financial Valuation (2 weeks)	27 Jan - 7 Feb	21-Feb	07-Mar	School of Mining Engineering
O Pillay	Face to Face	MINN7010A	Advanced Mechanics of Solids (2 tests, no assignment)	3 - 7 Feb	21-Feb	No Assignment	School of Mining Engineering
MARCH							
RCA Minnitt	Online	MINN7061A	Sampling Theory and Methods	3 - 7 Mar	20-Mar Human Rights Day	04-Apr	School of Mining Engineering
T Tholana/ C Musingwini/ M Ali/ P Leeuw	Face to Face	MINN7093A	Applied Operations Research in Mineral Resource Management (2 weeks)	3 - 14 Mar	28-Mar	11-Apr	School of Mining Engineering
C Dohm	Online	MINN7007A	Statistical Valuation of Ore Reserves (2 weeks)	10 - 20 Mar	04-Apr	02-Apr	School of Mining Engineering
I Watson/P Twala	Face to Face	MINN7025A	Mining and the Environment	24 - 28 Mar	11-Apr	25-Apr	School of Mining Engineering
B Watson/ T Stacey/ J Kanda	Face to Face	MINN7005A	Mechanical Properties of Rock and Rock Masses	31 Mar - 04 Apr	16 Apr Easter	2 May	School of Mining Engineering
JUNE							
J Githiria/ B Mutandwa/ Z Mdluli/ P Leeuw/ J Kanda	Face to Face	MINN7091A	Planning and Optimisation of Surface Mines	2 - 6 Jun	20-Jun	04-Jul	School of Mining Engineering
RCA Minnitt	Online	MINN7054A	Theoretical Simulation Techniques	9 - 13 Jun	27-Jun	11-Jul	School of Mining Engineering
T Ramontja	Online	MINN7038A	Minerals Marketing	9 - 13 Jun	27-Jun	11-Jul	School of Mining Engineering
T Gcuda/ M Matlou/ B Watson	Face to Face	MINN7018A	Design of Support Systems for Underground Mine Workings	7 - 11 Jul	26-Jul	08-Aug	School of Mining Engineering
JULY							
T Marshall	Online	MINN7052A	Compliance & Reporting Rules in the Mineral Industry	14 - 18 Jul	01-Aug	18-Aug	School of Mining Engineering
N. Mutemeri/ P Twala	Online	MINN7014A	Mineral Economics	21 - 25 Jul	08-Aug	22-Aug	School of Mining Engineering
B Watson/B Genc/ C Birch /J Githiria/T Marshall/J Knight/ Z Mdluli/ D Modiba	Online	MINN7094A	Research Methodology for Mining Engineering (July)	28 Jul - 1 Aug	No Exam	29-Aug	School of Mining Engineering
AUGUST							
B Genc/ Z Mdluli/ C Birch	Face to Face	MINN7089A	Mine Planning Principles	11 - 15 Aug	29-Aug	12-Sep	School of Mining Engineering
J Kanda/ T Stacey/ M Matlou/ B Watson	Face to Face	MINN7062A	Probability and Risk in Rock Engineering	11 - 15 Aug	29-Aug	12-Sep	School of Mining Engineering
C Birch	Face to Face	MINN7050A	Mineral Resource Management (2 weeks)	18 - 29 Aug	12-Sep	26-Sep	School of Mining Engineering
H Mtegha/ P Twala	Face to Face	MINN7015A	Mineral Policy and Investment (2 weeks)	25 Aug - 5 Sept	19-Sep	03-Oct	School of Mining Engineering
L Mohloki	Face to Face	MINN7090A	Planning and Optimisation of Underground Mines				School of Mining Engineering

IMPORTANT NOTE:

Courses are subject to cancellation or date changes. Students are advised to confirm the dates [at least 3 weeks beforehand](#).

Students must ensure that the School has your contact details or any changes thereof during the year.

For any Enquiries, please contact the School of Mining Engineering PostGrad Administrator Eunice Sediti on +27 11 717 7408 or eunice.sediti@wits.ac.za

Recommended Sequence

MINN7007A before MINN7006A

MINN7006A before MINN7054A

NB: MINN7007A, MINN7006A, MINN7054A MUST BE DONE SEQUENTIALLY

Pre-Requisite: MINN7094A Research Methodology for Mining Engineering is a Pre-requisite to MINN7044 Research Report
