

UNDERGRADUATE STUDIES: Bachelor of Arts in Fine Arts (AFA01)

Thank you for your interest in applying for the BA (Fine Arts) degree with the Wits School of Arts for 2025.

The BA (Fine Arts) degree is a four-year professional degree and our undergraduate teaching program is run by a dedicated team of lecturers, artists, scholars, writers, tutors and technical staff specialising in different contemporary art media.

A formal academic application must have been submitted to the Student Enrolment Centre (SEnC) by **30 September 2024**. No late applications will be considered. Online applications are available at www.wits.ac.za/applications

In addition, all BA (Fine Arts) applicants are required to submit **a questionnaire, portfolio of artworks, a short CV, a transcript of recent grades, and matric or academic transcript**. We may contact you for a brief online interview. The BA (Fine Arts) degree is a highly competitive programme for which we receive many applications. There are a limited number of places available, and you should aim to submit your portfolio as soon as possible but by no later than **15 November 2024**. Your application will be considered incomplete WITHOUT A PORTFOLIO.

Please click <https://forms.gle/3rExEUtZ53X43WLV6> to complete the questionnaire and upload your portfolio of artworks.

Once you have submitted the questionnaire, portfolio of artworks, and other documents, we will endeavor to review your application within two weeks. You will then receive a letter from the Student Enrolment Centre (SEnC) with an update on the status of your application. You can also view your application status on the student self-service portal - <https://self-service.wits.ac.za/>

If you have completed your school leaving, or tertiary qualification, you could receive a firm offer or be placed on a waiting list.

If you are currently in Grade 12, you could receive a provisional offer, be placed on a deferred status (subject to the release of your final matric results and available places), or be unsuccessful. PLEASE NOTE that acceptance of your application is dependent on the evaluation of your creative potential and your Matric results. SEnC will confirm if your application is successful once your Matric results have been published.

A firm offer by the University will allow you to register in January/February next year (watch out for the dates to register on the Wits website), and we will notify you about orientation activities and the start of term in February 2025.
